## **INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF LEEJAM SPORTS COMPANY (A SAUDI JOINT STOCK COMPANY)**

### **Introduction:**

We have reviewed the accompanying interim condensed statement of financial position of Leejam Sports Company ("the Company") as at 30 June 2021, and the related interim condensed statements of profit or loss and comprehensive income for the three-month and six-month periods ended 30 June 2021, the related interim condensed statements of changes in equity and cash flows for the six month period then ended and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "*Interim Financial Reporting*" ("IAS 34") endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

### **Scope of review:**

We conducted our review in accordance with International Standard on Review Engagements 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily to persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion:**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 endorsed in the Kingdom of Saudi Arabia.

### **Emphasis of a matter:**

We draw attention to note 16 to the interim condensed financial statements. As stated therein, during the period ended 30 June 2021, management has received an assessment order from the Zakat Tax and Customs Authority ("ZATCA") on the ground that part of the Company's profits for the year 2015 were subject to income tax. Our conclusion has not been modified in respect of this matter.

**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF LEEJAM SPORTS COMPANY (A SAUDI JOINT STOCK COMPANY) (continued)**

**Other matter:**

The financial statements of the Company for the year ended 31 December 2020 were audited by another auditor who expressed an unmodified opinion on those financial statements on 14 February 2021. Further, the interim condensed financial statements of the Company for the three month period ended 31 March 2021 and for the six month period ended 30 June 2020 were reviewed by another auditor who expressed an unmodified review conclusion on those financial statements on 19 April 2021 and 24 August 2020, respectively.

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2021

### 1 CORPORATE INFORMATION

Leejam Sports Company (“the Company”) is a Saudi Joint Stock Company and listed on the Saudi Stock Exchange Market. The Company was established in accordance with the Ministry of Commerce and Industry resolution No. 146/S dated 29 Rabi' II, 1429H (corresponding to 5 May 2008) and registered under commercial registration (CR) No 4030180323 dated 19 Jumada' II 1429H (corresponding to 23 June 2008). The address of the Company’s registered office is Thumamah Street, P.O. Box 295245, Riyadh 11351, Kingdom of Saudi Arabia.

The objectives of the Company are construction, management and operation of sports and entertaining centres and wholesale and retail trading in sports’ clothes and equipment and owning real estate and constructing buildings necessary to achieve its purposes and advertising, construction, management and owning hotels and furnished apartments and other activities that the Company needs to use. The Company’s operations of managing sports centres are located in the Kingdom of Saudi Arabia and United Arab Emirates.

The Company acquired 95% of the outstanding shares of Fitness Time for Trading Company Limited in order to acquire the trademark “Fitness Time”. The trademark is renewable for a period of 10 years or periods at the option of the Company for a nominal fee. Fitness Time discontinued its operations after the trademark was transferred to the Company. The management believes that Fitness Time is immaterial to the Company hence; do not consolidate the results of operations of Fitness Time and its financial position in the financial statements of the Company.

The interim condensed financial statements of the Company for the six-month period ended 30 June 2021 were authorised for issuance in accordance with the Board of Directors resolution dated 6 August 2021 (corresponding to 27 Dhu Al-Hijjah 1442H).

### 2 BASIS OF PREPARATION

These interim condensed financial statements have been prepared in accordance with International Accounting Standard 34 “Interim Financial Reporting” as endorsed in Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”).

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Company’s annual financial statements as at 31 December 2020. In addition the results of the operations for the period ended 30 June 2021 do not necessarily represent an indicator for the results of the operations for the year ending 31 December 2021.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern. The Directors consider that there are no material uncertainties that may cast significant doubt over this assumption. They have formed a judgement that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

These interim condensed financial statements are prepared using historical cost convention. These interim condensed financial statements are presented in Saudi Riyals (“SR”) which is also the functional currency of the Company.

### 3 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company’s interim condensed financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities, at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that may require a material adjustment to the carrying amount of the asset or liability affected in the future.

## LEEJAM SPORTS COMPANY (A SAUDI JOINT STOCK COMPANY)

### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) (continued) FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2021

#### 3 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS (continued)

These estimates and assumptions are based upon experience and various other factors that are believed to be reasonable under the circumstances and are used to judge the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised or in the revision period and future periods if the changed estimates affect both current and future periods.

As at 30 June 2021, management believes that, all judgments and sources of estimation uncertainty remain similar to those disclosed in the Company's annual financial statements for the year ended 31 December 2020. The Company performed an impairment test for its non-financial assets at 31 March 2021, when circumstances indicated that the carrying value may be impaired and no impairment loss was recognised as a result of that assessment. The Company considers the relationship between its market capitalisation and its book value, among other factors, when reviewing for indicators of impairment. As at 30 June 2021, in view of the financial results for the period, the expected projections for the foreseeable future and market capitalisation of the Company, the management determined that the situation has significantly improved as compared to 31 March 2021 and there are no indicators of impairment subsequently and therefore, no impairment assessment was required at 30 June 2021. Management will continue to monitor the situation and any changes required will be reflected in future reporting periods.

#### 4 SIGNIFICANT ACCOUNTING POLICES AND NEW AND AMENDED STANDARDS AND INTERPRETATIONS

##### 4.1 Significant accounting policies

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 31 December 2020.

##### 4.2 New standards, amendments to standards and interpretations applicable from 1 January 2021

There are no new standards applicable to the Company. However, there are a number of amendments to existing standards which are effective from 1 January 2021, but do not have a material effect on these condensed interim financial statements.

###### 4.2.1 Interest Rate Benchmark Reform – Phase 2: Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16

The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (IBOR) is replaced with an alternative nearly risk-free interest rate (RFR). The amendments include the following practical expedients:

- ▶ A practical expedient to require contractual changes, or changes to cash flows that are directly required by the reform, to be treated as changes to a floating interest rate, equivalent to a movement in a market rate of interest
- ▶ Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued
- ▶ Provide temporary relief to entities from having to meet the separately identifiable requirement when an RFR instrument is designated as a hedge of a risk component

The Company is currently assessing the impact the amendments will have on it. The Company intends to use the practical expedients in future periods if they become applicable.

###### 4.2.2 Covid-19 Related Rent Concessions and Covid-19 Related Rent Concessions beyond 30 June 2021 – Amendments to IFRS 16

On 28 May 2020, the IASB issued Covid-19 Related Rent Concessions - amendment to IFRS 16 Leases. The amendments provide relief to lessees from applying IFRS 16 guidance on lease modification accounting for rent concessions arising as a direct consequence of the Covid-19 pandemic. As a practical expedient, a lessee may elect not to assess whether a Covid-19 related rent concession from a lessor is a lease modification. A lessee that makes this election accounts for any change in lease payments resulting from the Covid-19 related rent concession the same way it would account for the change under IFRS 16, if the change were not a lease modification.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) (continued)  
FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2021

### 4 SIGNIFICANT ACCOUNTING POLICES AND NEW AND AMENDED STANDARDS AND INTERPRETATIONS (continued)

#### 4.2 *New standards, amendments to standards and interpretations applicable from 1 January 2021 (continued)*

##### 4.2.2 *Covid-19 Related Rent Concessions and Covid-19 Related Rent Concessions beyond 30 June 2021 – Amendments to IFRS 16 (continued)*

The Company applied the practical expedient available under the amendment on its annual financial statements for the year ended 31 December 2020. The Company applied the amendment prospectively and it had no impact on retained earnings at 1 January 2020.

In March 2021, the Board amended IFRS 16 to extend the availability of the practical expedient by one year (2021 amendment). The practical expedient in the 2021 amendment applies to rent concessions for which any reduction in lease payments affects only payments originally due on or before 30 June 2022, provided the other conditions for applying the practical expedient are met. The amendment applies to annual reporting periods beginning on or after 1 April 2021 with earlier adoption permitted.

In accordance with paragraph 2 of IFRS 16, a lessee is required to apply the relief consistently to eligible contracts with similar characteristics and in similar circumstances, irrespective of whether the contract became eligible for the practical expedient as a result of the lessee applying the 2020 amendment or 2021 amendment.

In view of the above extension to the amendment, the Company continues apply the practical expedient available under the amendment on its financial statements for the period ended 30 June 2021. Also refer to note 10 of these financial statements.

#### 4.3 *New IFRS standards, amendments to standards and interpretations not yet effective*

Certain new accounting standards, amendments to standards and interpretations have been published that are not effective for 31 December 2021 reporting periods and have not been early adopted by the Company. ##### 4.3.1 *Amendments to IAS 1: Classification of Liabilities as Current or Non-current*

In January 2020, the IASB issued amendments to paragraphs 69 to 76 of IAS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- ▶ What is meant by a right to defer settlement
- ▶ That a right to defer must exist at the end of the reporting period
- ▶ That classification is unaffected by the likelihood that an entity will exercise its deferral right
- ▶ That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

The amendments are effective for annual reporting periods beginning on or after 1 January 2023 and must be applied retrospectively. The Company is currently assessing the impact the amendments will have on current practice and whether existing loan agreements may require renegotiation.

##### 4.3.2 *Reference to the Conceptual Framework – Amendments to IFRS 3*

In May 2020, the IASB issued Amendments to IFRS 3 Business Combinations - Reference to the Conceptual Framework. The amendments are intended to replace a reference to the Framework for the Preparation and Presentation of Financial Statements, issued in 1989, with a reference to the Conceptual Framework for Financial Reporting issued in March 2018 without significantly changing its requirements.

### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) (continued) FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2021

#### **4 SIGNIFICANT ACCOUNTING POLICES AND NEW AND AMENDED STANDARDS AND INTERPRETATIONS (continued)**

##### **4.3 New IFRS standards, amendments to standards and interpretations not yet effective (continued)**

###### **4.3.2 Reference to the Conceptual Framework – Amendments to IFRS 3 (continued)**

The Board also added an exception to the recognition principle of IFRS 3 to avoid the issue of potential ‘day 2’ gains or losses arising for liabilities and contingent liabilities that would be within the scope of IAS 37 or IFRIC 21 Levies, if incurred separately. At the same time, the Board decided to clarify existing guidance in IFRS 3 for contingent assets that would not be affected by replacing the reference to the Framework for the Preparation and Presentation of Financial Statements. The amendments are effective for annual reporting periods beginning on or after 1 January 2022 and apply prospectively.

###### **4.3.3 Property, Plant and Equipment: Proceeds before Intended Use – Amendments to IAS 16**

In May 2020, the IASB issued Property, Plant and Equipment — Proceeds before Intended Use, which prohibits entities deducting from the cost of an item of property, plant and equipment, any proceeds from selling items produced while bringing that asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Instead, an entity recognises the proceeds from selling such items, and the costs of producing those items, in profit or loss.

The amendment is effective for annual reporting periods beginning on or after 1 January 2022 and must be applied retrospectively to items of property, plant and equipment made available for use on or after the beginning of the earliest period presented when the entity first applies the amendment. The Company is currently assessing the impact the amendments will have on its financial statements.

###### **4.3.4 Onerous Contracts – Costs of Fulfilling a Contract – Amendments to IAS 37**

In May 2020, the IASB issued amendments to IAS 37 to specify which costs an entity needs to include when assessing whether a contract is onerous or loss-making.

The amendments apply a “directly related cost approach”. The costs that relate directly to a contract to provide goods or services include both incremental costs and an allocation of costs directly related to contract activities. General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract.

The amendments are effective for annual reporting periods beginning on or after 1 January 2022. The Company will apply these amendments to contracts for which it has not yet fulfilled all its obligations at the beginning of the annual reporting period in which it first applies the amendments.

###### **4.3.5 IFRS 9 Financial Instruments – Fees in the ‘10 per cent’ test for derecognition of financial liabilities**

As part of its 2018-2020 annual improvements to IFRS standards process the IASB issued amendment to IFRS 9. The amendment clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other’s behalf. An entity applies the amendment to financial liabilities that are modified or exchanged on or after the beginning of the annual reporting period in which the entity first applies the amendment.

The amendment is effective for annual reporting periods beginning on or after 1 January 2022 with earlier adoption permitted. The Company will apply the amendments to financial liabilities that are modified or exchanged on or after the beginning of the annual reporting period in which the entity first applies the amendment. The Company is currently assessing the impact these amendments will have on its financial statements.

### 16 ZAKAT

#### 16.1 *Charge for the period*

During the period, a zakat charge of SR 1.2 million have been recognised in the interim condensed statement of profit or loss based on the expected zakat base for the year 2021.

#### 16.2 *Status of assessments*

The Company has submitted its zakat returns for the years up to 2020. The final assessments have been agreed with Zakat, Tax and Customs Authority ("ZATCA") for the years up to 2015.

However, during the period, the Company received an assessment order from ZATCA for the year 2015 claiming an additional liability regarding the ownership of shares by Target Opportunities for Trading Company, one of the shareholders in the Company during 2015, that there are certain possible taxes on the Company. ZATCA's view based on certain assumptions, is that the Company is partially subject to income tax. In the above-mentioned assessment, ZATCA assumed that the above-mentioned shareholder is owned directly or indirectly by non-GCC nationals and accordingly, the total amount of income tax exposure as stated by ZATCA is SR 9.48 million for income tax for the year 2015. The Company has filed an objection with ZATCA against this assessment. No provision has been recorded in the interim condensed financial statements as the management believes that, based on their assessment and formal advice received from an independent legal advisor, the decision of the objection will be in favour of the Company.

The Company's zakat assessments for the years from 2016 to 2020 have not yet been raised by ZATCA.

Zakat has been computed based on the Company's understanding and interpretation of the zakat regulations enforced in the Kingdom of Saudi Arabia. The ZATCA continues to issue circulars to clarify certain zakat regulations which are usually enforced on all open years. The zakat regulations in Saudi Arabia are subject to different interpretations and new zakat regulations have been issued by the ZATCA dated 1 Jumada II 1438H (corresponding to 28 February 2017). The zakat liability as computed by the Company could be different from zakat liability as assessed by the ZATCA for years for which assessments have not yet been raised by the ZATCA.

### 17 CONTINGENCIES AND COMMITMENTS

#### 17.1 *Contingencies*

a) During 2017, the Company purchased land costing SR 24.3 million. The previous owner of the land has filed a case for the ownership of the land against the Company. Ensuuing to the case, the Company has submitted the original land deed and other related documents to the Ministry of Justice for verification and confirmation of the Company's ownership of the land. The Company's management and the legal advisor are of the view that the Company has valid grounds to prove the beneficial ownership of the land in the Company's name and the matter will be decided in the favour of the Company. Accordingly, no provision is required and hence no provision has been recorded in these financial statements.

In the normal course of the business, the Company's certain suppliers and contractors have commenced an action against the Company for claims and additional payments.
